

We warmly welcome all who are worshipping with us today. **Please join us for coffee and fellowship after each service.** Turn right as you leave the Chapel, and take the stairs or elevator down to Kirkman Fellowship Hall, or turn left as you leave the Sanctuary and follow the signs for the stairs or elevator.

The **CHANCEL FLOWERS** are given today by Joe, Brian, and Chris Moultrup, in celebration of the 44 years of marriage of their parents, Pam and Gary Moultrup.

A word about heating and cooling...

We ask for your understanding in the spring as the weather changes. Our heating and cooling system at the church is different than what you have at home. We cannot switch back and forth between heat and air conditioning in our church building. The changeover is a full-day process and has to be performed by our Heating and Cooling Vendor. Michigan weather is not always our friend in this process as we sometimes get unseasonal/extreme heat or

cold for a short spell but then will go back to seasonal weather for a few more weeks. We have to look at the long-term forecast and decide best when to switch over. Invariably, there will be a Sunday or two where it is too cold in the fall or too warm in the spring. Our best advice is to layer when the weather is changing. In the spring this might mean wearing a sweater you can take off if necessary.

Learning & Fellowship

Parents, children will **begin in worship** today.

The Evangelism & Communications Committee wants to fill the **FPCRO FACE-BOOK PAGE** with photos and captions of all of us enjoying the many activities we are involved in at church. We are asking church groups, committees, Circles, 5Fs groups, quilters, knitters, Bible study, Presbys, Wednesday Night Live, choirs, Joyful Journeys, Mid-Highs, Senior Highs, after-service Fellowship & Coffee, etc., to send a photo or two with a brief caption (no need to identify people by name) via email to either of Suzanne Lewand (slewand@ameritech.net) or Jennifer Ward (jward428s@gmail.com). Let's show the world what a great community of faith this is!

Our Sunday morning **LECTIONARY CLASS** studies the same scripture (or lections) as churches throughout the U.S. and the world and can help you gain valuable insight into Sunday sermons. Because lectionary passages are usually correlated around central biblical themes, you will find coherence in the Bible as each passage is reviewed. Join the lectionary class Sunday at 9 a.m. in the Auxiliary Dining Room. We would love to have you join us!

The **LIBRARY COMMITTEE** has culled their shelves to make room for new books. **Free books will be offered today** on the table in the Religious Studies Library! Please help yourself to one or two of these treasures.

Mission Opportunities

Our military around the world really love the crossword, sudoku, and other puzzle books they have received through our congregation. We have many requested, and in spite of the many wonderful books we have received and sent, there is still more need. Your contribution will make our brave soldiers so very happy. Thank you from **OPERATION PAPERBACK**.

Thank you CROP Walkers! Please make sure to **turn in your donation envelopes by Sunday, May 28**. We will have a table in KFH today and May 28 to collect envelopes. As is suggested on the envelope, for security reasons, they would like you to write a check for cash. Simply write "cash replacement" in the memo line of the check. We'll take care of that if you are not able to.

WORLD MEDICAL RELIEF, established in 1953, is a non-profit charitable organization whose mission is to help the medically underserved both at home and abroad by collecting and distributing medicines (must not be expired), medical equipment, medical supplies, and related materials. If you have such items to donate please bring them to the church. There is a large plastic bin located in the closet next to the choir robe storage area (across from the choir room) for small items. Equipment such as wheelchairs or walkers should be left next to the bin. Questions? Call Joyce King at 248 506 9887.

We would like to celebrate **Jay Kaufmann's 8-1/2 years of dedication and cheerful service** to the church by **collecting a purse** in his honor. Jay started in 2008 as our evening security/receptionist and has joyfully greeted and shared stories with all those that came through the doors ever since. His last day was May 4 but we're certain we will see him walking the hallways from time to time! If you would like to contribute to the purse, please direct your donation to Kari Peruski.

Registration is now open for **VACATION BIBLE SCHOOL**, which will be held from **July 31-August 4** this summer. Forms are available in the CE Lobby.
